

Learning more about warehousing and supply chain dynamics...

My Apprenticeship Journey

Hear from one of our incredible learners from The Hut Group who has experienced the journey firsthand.

“

Wesley completed his Supply Chain Warehouse Operative apprenticeship with The Hut Group.

Undertaking an apprenticeship with the primary goal of learning new knowledge, Wesley has found his apprenticeship to be challenging but rewarding with highlights being his acquisition of new skills, and showcasing his commitment to continuous development!

While Wesley faced challenges with the maths component of the programme, he found the support and assistance from his Vocational Skills Coach, Liam, to be valuable in guiding him over obstacles.

Throughout the apprenticeship, Wesley has honed his skills and behaviours which will be very beneficial to his job role, with an enhanced understanding of Health and Safety Principles. The knowledge he has gained on the dynamics of warehouse working will also contribute to his overall competency in his job role!

Wesley praises the coaches for help during the course, highlighting their attentive and supportive approach. He found this easily-accessible help supported him in navigating the challenges of his apprenticeship!
