

CACHE LEVEL 3

UNDERSTANDING AUTISM

The Course

More than 1 in every 100 people in the UK have an autism diagnosis. The Level 3 Certificate in Understanding Autism is designed for learners who want to increase their knowledge and understanding of autism, and the challenges and strengths that autistic people may relate to.

You will learn about characteristics, diagnosis and how understanding and different theories surrounding autism have developed over time. Within this qualification, and to accurately discuss the history of autism, a range of terminology is referred to, including outdated terms such as Asperger Syndrome.

How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate
