

# Better equipped in the running of day-to-day business operations...

## My Apprenticeship Journey

Hear from one of our incredible learners from LWC Drinks Ltd who has experienced the journey firsthand.

“

David, an employee at LWC Drinks Ltd, has successfully completed his LGV C+E apprenticeship with Learning Curve Group, equipping himself to contribute more effectively to the day-to-day operations of the business!

Completing the course in an impressive and timely manner, David thoroughly enjoyed showcasing his commitment to the learning process whilst on his informative programme. While facing challenges at the beginning, these were efficiently addressed with the support of his coach, Mathew.

David is delighted to have obtained his Class 2 driving license, a significant achievement for him. He also feels he has gained valuable knowledge in vehicle compliance, enhancing his understanding of the regulatory aspects of the industry.

In the future, David hopes to bring his new learnings, skills and knowledge to his workplace, ensuring a tangible impact on his role. Summing up his learning journey and time with Learning Curve Group, David found his apprenticeship to have been an “all-round great experience!”
