

Pushing myself to try new things and develop my career...

My Apprenticeship Journey

Hear from one of our incredible learners from Housing 21 who has experienced the journey firsthand.

“

Still in the early stages of her apprenticeship, Sam has found her learning journey very enjoyable so far, with ample opportunities for sharing and developing ideas and knowledge. What has really made the difference for Sam has been her tutor's support in creating a supportive and collaborative learning environment, where Sam feels heard and valued.

Overcoming the challenge of managing anxiety, Sam opened up to her tutor Tony, who has provided unwavering support, having open and honest discussions about triggers and anxiety management, to help Sam flourish during her apprenticeship.

Throughout her apprenticeship, Sam's confidence has grown massively, propelling her to engage more actively with her team and take on greater responsibilities, especially in team leadership. Her

thorough research into the history, aims, objectives policies of Housing 21 and their practical application, has significantly expanded her knowledge and solidified her career ambitions in the company, with the help of Tony's guidance. She has even had the opportunity to complete her Certificate in Housing Practice in addition to her apprenticeship.

Sam's apprenticeship has been the catalyst for her personal and professional development. She strongly recommends this learning pathway to others, and advises them to seize opportunities, seek help when needed, and use their tutors support as much as possible!

We look forward to seeing Sam grow at Housing 21 and fulfil her ambitions of securing a managerial role upon completion of her apprenticeship!

”

Housing 21 | **Sam Pritchard**
Level 4 Senior Housing and Property Management Apprentice
