

CACHE LEVEL 2

PRINCIPLES OF DEMENTIA CARE

The Course

Dementia affects around 820,000 people in the UK. This figure is likely to rise to one million by 2025 and two million by 2051. It is one of the main causes of disability in later life and with research being desperately underfunded, it costs the UK over £26 billion a year. Understanding dementia and the person-centred care that is required is fundamental to high quality care.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Improve your understanding of the various forms of dementia and the importance of being respectful at all times
- Further your personal and professional development

What you will learn

- Dementia Awareness
- The Person-Centred Approach to the Care and Support of Individuals with Dementia
- Understand the Factors That Can Influence
- Communication and Interaction with Individuals who have Dementia
- Understand Equality, Diversity and Inclusion in Dementia Care
- Understand the Administration of Medication to Individuals with Dementia Using a Person-Centred Approach
- Understand Behaviour in the Context of Dementia
- Understand the Benefits of Engaging in Activities in Social Care

How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate

How learners use this course

Choosing to do this Level 2 Course in the Principles of Dementia Care, could lead to careers in Health and Social Care. The course would be particularly useful for job roles such as;

- **Senior Care Nurse**
(£17,000 to £27,000)
- **Care Worker**
(£13,500 to £25,000)
- **Care Home Manager**
(£25,000 to £55,000)

It was a great course...

It was a great course and I felt the information was easy to understand, well displayed and my tutor/assessor was full of information and encouraging feedback.

Date of experience: June 2022

A great opportunity to complete a free course...

A great opportunity to complete a free course during my maternity leave. Very supportive tutor and telephone operators.

Date of experience: June 2022

The tutor was always quick to respond...

The tutor was always quick to respond to any questions I had always helpful. I never felt under pressure and it was great to study at a steady pace. I enjoyed this so much that I am ready to enrol on another course!!

Date of experience: June 2022

Amazing online course...

Fantastic support throughout the course. Learnt so much and well worth doing. Will make my job a lot easier and understand as much as I can what people with Dementia go through on a daily basis.

Date of experience: June 2022
