

CACHE LEVEL 2

# COMMON HEALTH CONDITIONS

# The Course

Every hour, someone in the UK is told they have Parkinson's disease, there are approximately 152,000 strokes in the UK every year (more than one every five minutes), and one in six of the UK population have some form of hearing loss. These health conditions, along with others such as arthritis and dementia, affect a substantial proportion of the population. A good understanding of common health conditions is essential in any care environment

Lived in the EU  
for **3 years**

**Aged 19+** at the  
beginning of the  
academic year

You could study  
this course  
**for FREE!**

**Online**  
paper-based  
delivery

## Benefits

- Achieve a nationally recognised Level 2 qualification

- Further your personal and professional development
- Learn at a time that suits you without the need to attend college
- Improve your understanding of dementia, stroke and sensory loss

## What you will learn

- Understand How to Contribute to Monitoring the Health of Individuals Affected by Health Conditions
- Introductory Awareness of Sensory Loss
- Stroke Awareness
- Dementia Awareness
- Arthritis Awareness
- Parkinson's Disease Awareness

## How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

## What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate

## How learners use this course

This course in Common Health Conditions will give you the insight you need if you were to pursue a career in Health and Social Care. Careers such as;

- **Occupational Health Nurse**  
(£22,000 to £45,000)
- **Health Promotion Specialist**  
(£21,000 to £40,000)

(32,305 to £45,838)

### It was a great course...

It was a great course and I felt the information was easy to understand, well displayed and my tutor/assessor was full of information and encouraging feedback.

**Date of experience:** June 2022

### A great opportunity to complete a free course...

A great opportunity to complete a free course during my maternity leave. Very supportive tutor and telephone operators.

**Date of experience:** June 2022

### The tutor was always quick to respond...

The tutor was always quick to respond to any questions I had always helpful. I never felt under pressure and it was great to study at a steady pace. I enjoyed this so much that I am ready to enrol on another course!!

**Date of experience:** June 2022

### Amazing online course...

Fantastic support throughout the course. Learnt so much and well worth doing. Will make my job a lot easier and understand as much as I can what people with Dementia go through on a daily basis.

**Date of experience:** June 2022
