

CACHE LEVEL 2

UNDERSTANDING COMMON CHILDHOOD ILLNESS

The Course

This qualification is great if you're looking to learn more about common childhood illnesses. Whether you look after infants and children as part of your job or in your personal life, this course will give you the knowledge you need to support their development and well-being. As well as learning about common illnesses that occur in childhood, you'll gain insight into providing a safe and healthy environment for babies and children.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency to employers
- Further your personal and professional development
- Gain an understanding of risk factors which may affect children and young people
- Learn at a time that suits you without the need to attend college

What you will learn

- Understand how to provide a safe and healthy environment for babies and young children
- Understand common childhood illnesses
- Understand health emergencies and specific health conditions in an early years setting

Lived in the EU
for **3 years**

Aged 19+ at the
beginning of the
academic year

How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate

How learners use this course

By taking this Level 2 Course, you can learn more about childhood illnesses, and be able to support patients and their development/well-being. This qualification would be ideal for those looking to seek a profession in;

- **Nursery Worker**
(£14,000 to £24,000)
- **Residential Support Worker**
(£15,000 to £26,000)
- **Child Protection Officer**
(£25,000 to £40,000)

It was a great course...

It was a great course and I felt the information was easy to understand, well displayed and my tutor/assessor was full of information and encouraging feedback.

Date of experience: June 2022

A great opportunity to complete a free course...

A great opportunity to complete a free course during my maternity leave. Very supportive tutor and telephone operators.

Date of experience: June 2022

The tutor was always quick to respond...

The tutor was always quick to respond to any questions I had always helpful. I never felt under pressure and it was great to study at a steady pace. I enjoyed this so much that I am ready to enrol on another course!!

Date of experience: June 2022

Amazing online course...

Fantastic support throughout the course. Learnt so much and well worth doing. Will make my job a lot easier and understand as much as I can what people with Dementia go through on a daily basis.

Date of experience: June 2022
