

CACHE LEVEL 2

UNDERSTANDING AUTISM

The Course

Autism is a spectrum condition that affects how a person communicates with others and how they interpret the world around them. There are around 700,000 autistic people in the UK – more than 1 in every 100. Having a clear understanding of the misconceptions, diagnoses and support surrounding autism are just some of the essential skills needed when working in mental health.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Improve your understanding of theories relating to autism
- Further your personal and professional development
- Ensure you understand what is meant by autism and how it is diagnosed
- Learn at a time that suits you without the need to attend college

What you will learn

- Introduction to Autism
- Using a Person-Centred Approach to Support Autistic Individuals
- Communication and Social Interaction in Autistic Individuals
- Sensory Processing, Perception and Cognition in Autistic Individuals
- Supporting Positive Behaviour in Autistic Individuals
- Supporting Autistic Individuals to Live Healthy and Fulfilled Lives

How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate

How learners use this course

This Level 2 Autism Course can help with professional development and lead to careers in Education and Childcare. This is particularly useful for job roles such as;

- **Teaching Assistant**
(£11,500 to £23,000)
- **Nursery Worker**
(£14,000 to £24,000)
- **Training Officer**
(£14,000 to £24,000 per year)

Understanding individuals with autism can help make the workplace a more inclusive environment. This can help your CV stand out and is beneficial for many different job roles.

It was a great course...

It was a great course and I felt the information was easy to understand, well displayed and my tutor/assessor was full of information and encouraging feedback.

Date of experience: June 2022

A great opportunity to complete a free course...

A great opportunity to complete a free course during my maternity leave. Very supportive tutor and telephone operators.

Date of experience: June 2022

The tutor was always quick to respond...

The tutor was always quick to respond to any questions I had always helpful. I never felt under pressure and it was great to study at a steady pace. I enjoyed this so much that I am ready to enrol on another course!!

Date of experience: June 2022

Amazing online course...

Fantastic support throughout the course. Learnt so much and well worth doing. Will make my job a lot easier and understand as much as I can what people with Dementia go through on a daily basis.

Date of experience: June 2022
