

CACHE LEVEL 2

UNDERSTANDING SAFE HANDLING OF MEDICATION

The Course

Modern medicines are powerful substances which have beneficial effects for millions of people worldwide. However, inappropriate use or handling of these substances can have severe consequences, including death. Having good up-to-date knowledge of the safe handling of medicines is essential for anyone working with medication.

Content

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency in handling medication to employers
- Further your personal and professional development
- Create better preventative care by identifying how to maintain stock and record, store and dispose of medication appropriately
- Learn at a time that suits you without the need to attend college

What you will learn

- Understand Medication and Prescriptions
- Supply, Storage and Disposal of Medication
- Understand the Requirements for the Safe
- Administrations of Medication
- Record-keeping and Audit Processes for Medication

How to Sign Up

Learners may be eligible for funding which means the course won't cost a thing to complete (subject to eligibility). There is a £125 cancellation fee if a learner enrolls and fails to complete or withdraws early from the course. This fee is to cover administration costs. We may be able to offer extensions if learners are unable to meet the set submission deadline. Please read the declaration on the enrolment form carefully before signing up.

What happens after enrolment?

1. Submit your enrolment form and get instant access to begin your course
2. We'll process your funding application, and a tutor will be assigned to support you through your course
3. Receive text reminders when your work is due
4. Your work will be marked and returned to you within 7 days
5. Once you've submitted your work, we'll apply for your certificate

How learners use this course

This Level 2 Course in Understanding the Safe Handling of Medication in Health and Social Care could lead you to careers specialising in this industry. This is especially useful for careers like;

- **Social Work Assistant**
(£12,500 to £25,000)
- **Care Worker**
(£13,500 to £25,000)
- **Medical Secretary**
(£17,500 to £24,000)

It was a great course...

It was a great course and I felt the information was easy to understand, well displayed and my tutor/assessor was full of information and encouraging feedback.

Date of experience: June 2022

A great opportunity to complete a free course...

A great opportunity to complete a free course during my maternity leave. Very supportive tutor and telephone operators.

Date of experience: June 2022

The tutor was always quick to respond...

The tutor was always quick to respond to any questions I had always helpful. I never felt under pressure and it was great to study at a steady pace. I enjoyed this so much that I am ready to enrol on another course!!

Date of experience: June 2022

Amazing online course...

Fantastic support throughout the course. Learnt so much and well worth doing. Will make my job a lot easier and understand as much as I can what people with Dementia go through on a daily basis.

Date of experience: June 2022
