

PAINTING AND DECORATING

Level 2

Duration of the programme - 24 - 30 months

Painters and Decorators operate in domestic and commercial properties and undertake the decoration and protection of buildings. You will have good knowledge of paint coatings and wallcoverings and understand and comply with statutory, safety and environmental requirements. You are responsible for your own work achieving a high quality finish at the appropriate pace. You should be good at problem solving and communicators and are able to interact effectively with colleagues, clients and associated trades.

Facts about this apprenticeship:

- This apprenticeship provides practical training and opportunity to develop in the industry
- You could become a team supervisor or move into related areas like estimating, contract management, interior or set design
- Can prepare you for a whole host of construction opportunities, including setting up your own business

How will I learn?

Blended approach to delivery which could include:

- Webinars
- Face-to-face
- Skype
- Telephone
- Online learning

Is this training programme for your business?
