Workplace violence and Harassment can have huge consequences for employers, employees and the work environment. The Trades Union Congress (TUC) estimates that 29% of people have been bullied at work, and more than 1 in 3 people who report being bullied leave their job because of it. Understanding about effective communication and ways to reduce conflict in the workplace will help to create a more positive working environment, benefiting both employers and employees, and improving job satisfaction, health and well-being, and productivity.
