

Senior Software Developer CANDIDATE BRIEF

JOIN THE **PURPLE** REVOLUTION
TRANSFORMING LIVES THROUGH LEARNING

Learning Curve Group (LCG) is one of the UK's leading providers of high-quality skills training, providing education and training nationally. For over 16 years LCG has delivered a wide range of training solutions to meet the needs of employers and individuals – from apprenticeships and diplomas to short courses and vocational certificate programmes.

Our 'Purple People', the dedicated and passionate people of LCG, help us to deliver success no matter what, to achieve our vision to 'transform lives through learning'.

Why Purple?

You might have already guessed but Purple is our favourite colour – it has been since we opened in 2004. Our love for Purple has grown over the years with many of our amazing staff saying, "If you cut me in half, I'd bleed Purple!"

– in fact the more diverse our workforce is, the better! You become a Purple Person by living and breathing our core values – we'll talk more about them shortly!

Beyond the values it's about what you do every day that makes the difference.

Purple People are inquisitive and ask the right questions that help you learn something new every day. It's about working hard and being kind to those around you – making sure we help each other to reach our potential. What we ask of our Purple People the most though is that you LOVE what you do and have fun while you're doing it. But when you're transforming lives through learning, enjoying your job is the easy part!

Take a look at our mission, vision and values so you can start to see how you'll slot in.

ABOUT LEARNING CURVE GROUP

Vision

Transform lives through learning

Values

- P** PASSIONATE - We're passionate about everything we do, especially creating as many opportunities as we can for both young people and adults to gain new skills.
- U** UNSTOPPABLE - We are committed to continually exploring ways to improve the service that we offer for the benefit of our learners, partners, and employers.
- R** RIGHT - We endeavour to be open, honest and fair in our dealings with learners, employers, partners and stakeholders. We also aim to get it right first time.
- P** PARTNERSHIPS - We continually strive to deliver excellence through strategic and sustainable partnerships with a wide range of FE organisations, employers and wider stakeholders.
- L** LEARNERS - We keep our learners at the centre of everything we do and we are driven by the desire to provide life-changing opportunities for them.
- E** EMPOWERED - We are passionate about supporting Purple People at all levels, empowering them to realise their full potential and progress.

ABOUT THE ROLE

Location	Remote
Employment Type	Permanent
Hours & Working Pattern	Monday - Friday, 09:00 - 17:00
Salary	£40,000 - £50,000

OVERVIEW

As a senior software developer working for Learning Curve Group, you will work with the Development Team on internal solutions to streamline and optimise business processes, develop internal products whilst also working on solutions that will be used across the education sector.

DUTIES

- Work within the team to maintain, repair, test and develop new and existing solutions
- Work with business Analysts and Principal developer scoping new solutions to ensuring business requirements are met
- Achieve sprint goals and assist the team when required
- Line Management of the Graduate Developers
- Support members of the Development team and knowledge share amongst the team
- Assist in maintaining internal team processes and supporting Azure DevOps
- Conduct your role in line with the company values and expected behaviours
- Promote equal opportunities and recognition of diversity throughout the company
- Comply with the Safeguarding, Prevent and Health and Safety Policies and be vigilant to potential concerns and risks at all times
- Always ensure confidentiality and professionalism.

ESSENTIAL CRITERIA

We love to develop our people so even if you don't meet 100% of the essential criteria, we strongly encourage you to apply.

- Good communication skills and able to explain complex technical details to non-technical people
- Highly organised with good administration skills
- Take ownership of any development work carried out
- Methodical approach to work
- To be able to collaborate across a wide team
- A minimum of 5 years' experience in development
- Experience with .NET Development
- Experience developing with C#
- Experience developing business solutions
- An understanding of web technologies including HTML, CSS, JavaScript
- Knowledge of test-driven development (TDD), SOLID principles, Object Oriented Programming (OOP)
- Experience of working with Azure DevOps
- Experience of working with Microsoft SQL Server and T-SQL
- Happy to carry out personal and professional development

DESIRED EXPERIENCE

- Data warehousing
- Power BI
- Front End Development with React

- Development experience in any of the following: .NET Core, .NET 5/6, API Development, JWT or Entity Framework
- Developing with the Power Platform
- Developing SharePoint Online
- Development experience within the education sector

Will I manage people?

Is driving essential?

Can this role be performed remotely?

How often will I be required to travel? Once a month to attend team meetings at HQ (County Durham)

Induction

We know starting a new job can be daunting which is why you will have a structured training plan for your first few weeks set out by your manager, and specific to your role. Where possible, you will spend a day or two at our amazing HQ to pick up your equipment, uniform and get to know some of your colleagues!

Safeguarding

Learners are at the centre of everything we do – it's because of that we'll need references from your previous employer(s) and maybe even a DBS (dependent on your role!)

WHY WOULD I WANT TO WORK HERE?

Aside from our amazing staff, there are some pretty great reasons to want to work for Learning Curve Group. We hold a range of impressive accolades awarded by external companies in relation to staff engagement and culture.

Best Companies

We have not been listed as one of the top 100 companies to work for THREE times! In the Q2, 2021/22 survey, we placed:

- 37th in top 100 companies to work for,
- 8th in the North East's best companies to work for
- 4th in the Education and training best companies to work for

We are so proud of this achievement because it is the feedback from staff surveys that resulted in these results meaning our people are happy and engaged.

Investors in people

Since 1991 Investors in People has set the standard for better people management and Learning Curve Group are delighted to hold the prestigious Gold Standard Award. Our IIP accreditation provides assurance that we invest in our staff and as celebrated in our last report, have strengths in relation to reward and recognition.

We Listen

Employee feedback is hugely important to us and is why we have so many forums for you to have your say, ask brilliant questions or give creative and new ideas!

- ✓ Keeping in Touch (KIT) Meetings are held every two months where a rep from every team across the business down tools and chat to our CEO, Brenda. It's a fantastic opportunity to be nosy and ask those burning questions.
- ✓ CEO Briefings are held every other week via our Facebook workplace and are very popular amongst the Purple Family. Brenda takes the time out to Welcome new starters, update us on any changes in the business or sector and most importantly celebrate all successes great and small
- ✓ Great ideas is another fantastic way for you to have your say. It might be a suggestion to improve a process, or the way we work. No matter how big or small, all ideas are welcomed

We are diverse

You're unique – and we love that about you. As an equal opportunity employer, we positively encourage applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status, or pregnancy and maternity.

Don't just take our word for it though! Our commitment to a number of covenants and pledges will show you just how serious we are about equal opportunities for all:

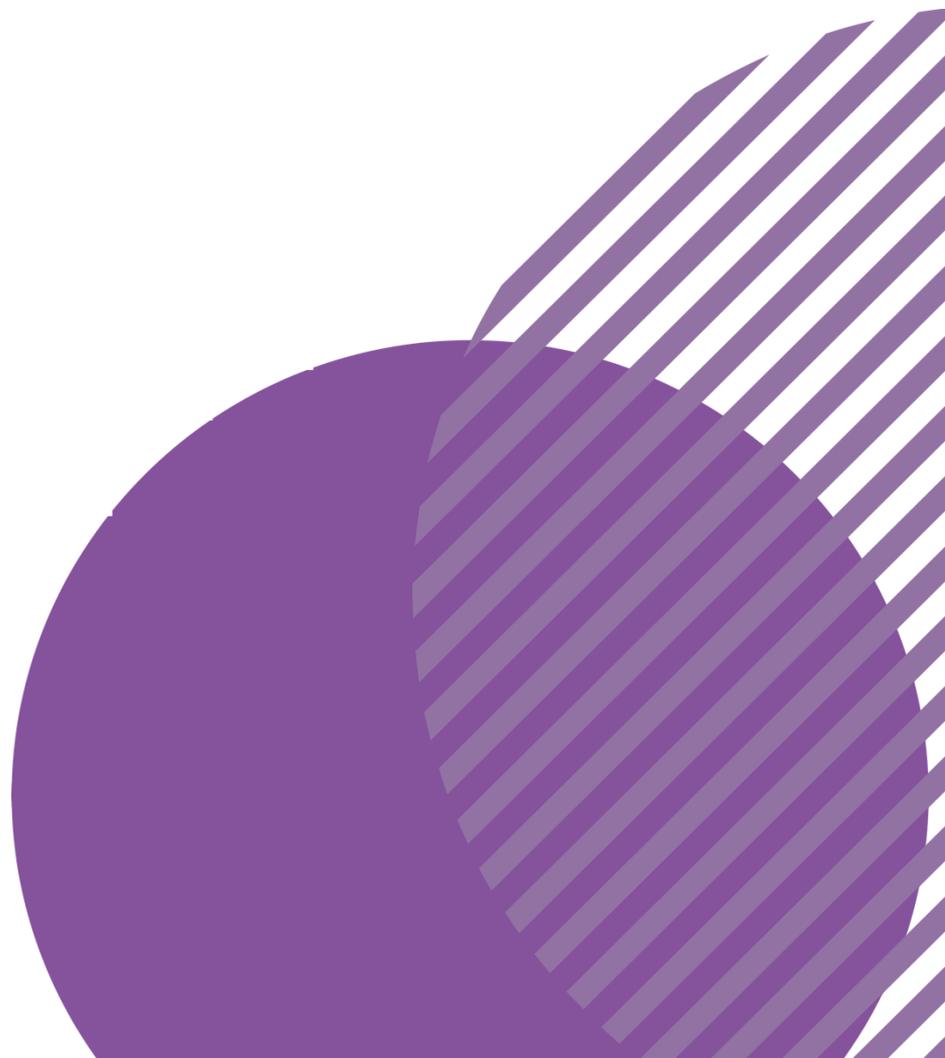

- ✓ Disability Confident Employer
- ✓ Armed Forces Covenant Silver
- ✓ Domestic Abuse Covenant
- ✓ Durham Enable
- ✓ Care Leaver Covenant

We want you to succeed

Imagine a training provider that doesn't support staff development!? Luckily that's not us, and at every opportunity we will encourage you to develop your knowledge and skills. As part of the "Purple People Academy" you can access a wide range of resources:

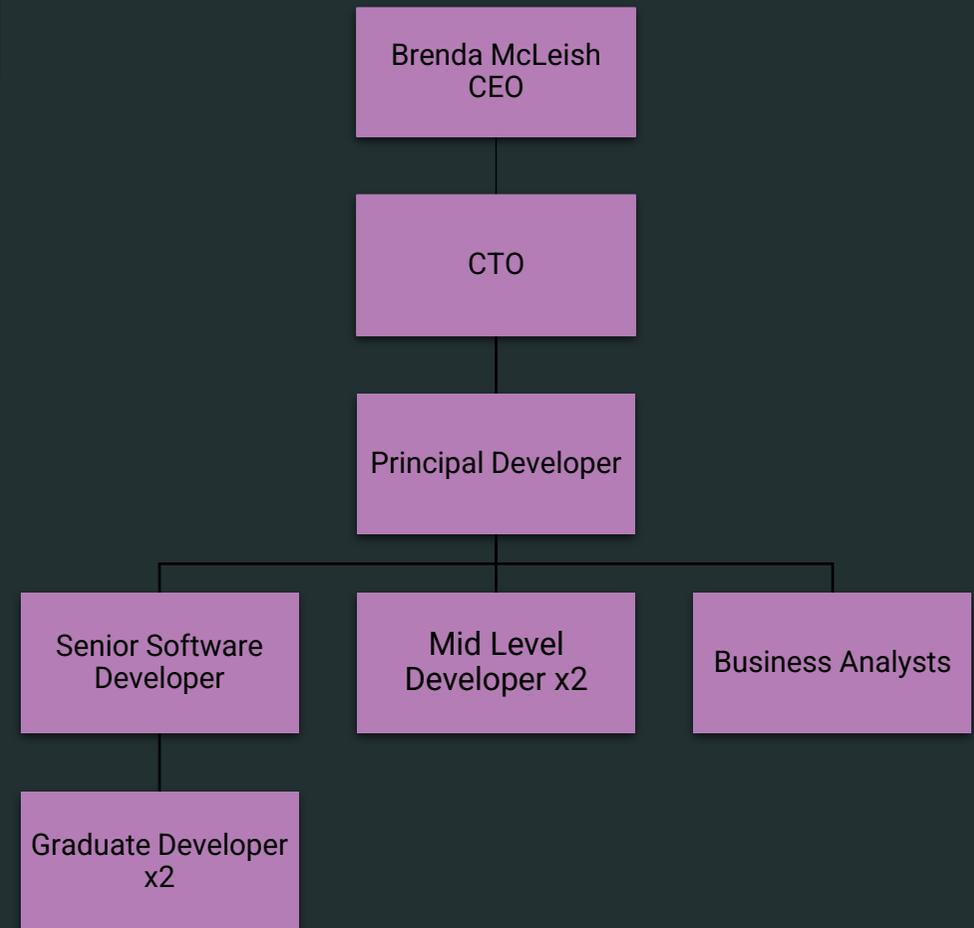

- Mandatory CPD
- Flexible Learning
- Apprenticeship Programmes
- CPD
- Leadership and Management courses
- Learning and Development Library
- Webinars, Seminars and Podcasts
- Careers Guidance
- Links to Professional Bodies and Forums

HEAR FROM THE TEAM

Hannah Marshall, Learning Curve's CTO, recently joined us from NCG, a national college group, where she worked for 11 years with her career focused on IT, Data, and Systems. Joining Learning Curve Group with a wealth of experience in the Education Sector, Hannah is passionate about how technology can enhance a business whilst also striving to improve the user experience at every opportunity, ultimately contributing to positive outcomes for learners. Over the next year and beyond, Hannah will be leading Learning Curve Group through a Digital Transformation plan which will include ensuring Learning Curve Group gets the best out of technology to support streamlining processes, staff are equipped with the skills to use the technology required as part of their job role and data is used to drive business intelligence across the organisation.
