## POLICY

### Principles

The Company Values will embed equality and diversity in their implementation, namely:

- Learners are at the centre of everything we do, and we are driven by the desire to provide life- changing opportunities for each and every one of them.
- Continuous improvement – we are committed to continually exploring ways to improve the
- services we offer for the benefit of our learners, partners and employers.

- The Company actively promotes British Values through tutorial and classroom delivery, using the following key themes:
  - Democracy

  - Respect and tolerance

In June 2014, the Government emphasised the important role that British Values can play in education, how well these are taught and integrated as part of the ethos of post 16 education. They are now a focus of the Ofsted inspection process.

As well as actively promoting British Values we would also actively challenge learners, employers, staff or parents expressing opinions contrary to fundamental British Values, including ‘extremist’ views of any variety.
